

Team Involvement in Demonstration

Date	5 July 2026
Team ID	–
Project Name	Voice-Based Concept Understanding Analyser
Maximum Marks	1 Mark

Team Involvement in Demonstration:

This document records the active participation and roles of each team member during the project demonstration. It ensures that every member contributes meaningfully to the presentation and that responsibilities are distributed fairly and clearly.

S.No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation (Active / Passive)
1	Dedeepya Sri	Team Lead / Project Coordinator	Project Introduction & Architecture	Introduced the project, explained objectives, problem statement, architecture, workflow and overall system modules.	Active
2	Guru Charan Nune	Backend & AI Developer	Speech-to-Text & Semantic Analysis	Demonstrated audio upload, Whisper transcription, and Sentence-BERT based semantic similarity analysis.	Active
3	Sai Aditya Ponakala	NLP & Evaluation Developer	Concept Evaluation & Scoring	Explained concept understanding evaluation, scoring algorithm, confidence score calculation and qualitative feedback generation.	Active
4	Jammula Sravya	Frontend Developer	Streamlit UI & Report Generation	Demonstrated Streamlit UI, waveform visualization, dashboard features and PDF report generation.	Active
5	Omm Swaroop Dash	Audio Processing & Performance Dev.	Fluency Analysis & Optimization	Presented filler-word detection, pause analysis, RMS energy calculation, optimization and performance improvements.	Active
6	All Team Members	Q&A Support	Discussion & Clarifications	Answered evaluator questions, explained implementation details and clarified project features.	Active

Team Coordination Notes:

Aspect	Details
Team Leader / Coordinator	Dedeepya Sri
Overall Team Coordination Rating (1-5)	5 / 5 (Excellent)
Any issues during demo	Minor delay while loading AI models (Whisper/Sentence-BERT) during the initial execution.
How issues were resolved	Models were preloaded, dependencies verified and the demo continued smoothly without affecting functionality.
