Empathy Map

Create an empathy map to understand your customer/user from four perspectives.

- I want to know whether I understand this concept correctly.
- I need feedback on my explanation.
- I want to improve my communication skills.
- I wish I could practice anytime.

- Did I explain the concept accurately?
- Am I confident enough for interviews or presentations?
- Which topics do I need to improve?
- Can AI help me evaluate my understanding?

- Records audio explanations of concepts.
- Uploads audio files to the platform.
- Reviews feedback and evaluation reports.
- Practices repeatedly to improve conceptual understanding and speaking skills.
